

CHEE 6397 Project Presentation Instructions

Each group will give a presentation on their project. **All group members must participate**, and you decide how to divide the presentation among yourselves.

- Format: presentation with slides (Keynote, PowerPoint, or PDF)
- Date: Nov 28 and Nov 30, 2023
- Time: 7 minutes per group (with 1 more minute for questions)
- Presentation order:

```
group_number = np.arange(1, 17)
np.random.shuffle(group_number)
print(group_number)
```

and the random seed will be determined later.

Submission

- Due: 1 pm, Nov 28, 2023
- Name your slides as **Group_<number>.pptx** (e.g., **Group_1.pptx**)
- Upload your slides (Keynote, PowerPoint, or PDF) to Canvas
- Each group only needs to submit one copy of the slides
